Althouth it has been several years since I have seen Terry she entered my thoughts quite often. I will miss her beautiful outlook on life and presence that could light up a room. All of her friends at the Albany Commissary, and the customers she served with a smile and joyousness that made them glad they saw her that day, will miss her greatly. She touched a lot of lives and made them better. She is know with her beloved husband and they are waiting for the 2012 edition of the Braves so they can cheer them on to the World 4Series. My deepest sympathy goes to her family. She was a gracious lady.Charlie Goodroe (Albany MCLB Comissary)

To Thresa, Nancy, Rich, Mike and Paul, so sorry for your loss. Although we cannot make it down, our thoughts and prayers are with you and your Mother. I always enjoyed talking to her on the phone, even though I wished I had called more often.

I am so sorry to hear about Mrs. Perryman. I only found out today when my mother called to tell me she had seen it in the newspaper last week and had forgotten to tell me about it. In a way it seems so long ago since we lived there beside Nancy on Monroe St. in Sylvester but in another way, it seems not that long ago. I had alot of good times and good memories over at Nancy's and always thought the world of both Mr. and Mrs. Perryman. Over the years, we have lost contact but never have forgotten about that time in my life. I wrote Mrs. Perryman when I saw that Mr. Perryman had died and received a nice letter in return from her. Nancy, if you read this, I would love to hear from you. You and your family are in our prayers.
