“ Ed, Susan and Pam,
I am so very sorry to hear of Becky's accident. She was such a good and kind
person, and she was always so sweet about keeping in touch with my mother,
Charlotte. Mom and I both deeply appreciated her newsy letters about your
families. She clearly had great pride in, and gained much joy from her children
and grandchildren. She will be greatly missed.
Wishing you all much comfort and strength at this time,
Martha Cook

“ We met Ms. Bullard a little over a year ago when we purchased an organ from her. We visited her again a few months ago and met her son and sister during that visit which we enjoyed so much. She was such a joy to know, and we considered her our friend. Our condolences to her family members.

“ I have just found out this day about Becky's passing. Tears fill my eyes at this news. Becky was a blessing to my family for such a very long time. She was my sister Debbie's sponsor and never ever gave up on her in her struggle. She was a comfort to my mother during my sisters troubled life and I will always be thankful to her for that gentle sweet spirit. If any of us can be angels in Heaven - Becky Bullard is at the top of His list! I love you Becky, Kerri

“ A message of sympathy in the loss of your dear loved one, please find comfort and strength in knowing that"God will wipe away the tears from your eyes and death will be no more, neither will mourning nor outcry nor pain be any more the former things have passed away."
