“ My time at Ft Campbell Ky was filled with great memories and SFC Ramey (Ernie) was a big part of that. He was a hard nosed Platoon Sergeant who had a knack of not only motivating people, but making them feel like they were part of a team as well. I admired his ability to laugh even when we were being faced with a tremendously stressful situation. He was certainly tough, but he never asked anyone to do anything he wouldn't do himself. I admired SFC Ramey so much that I turned my duties as First Sergeant over to him after I left, because I knew he would carry on the traditions I worked so hard to create.

I'll miss you my friend... I really will, but I take comfort in the fact that I had the pleasure of working aside a good man who loved both his Soldiers and his country. Peace.

“ I am one of many that should, and will miss my uncle!! But at this time he will be standing on that mountain listening to an Angel's song. While reaching over Jordan. We should ALL allow him to be taken home. So it has been said don't cry. Because he has only left his body. To go home. I LOVE EACH AND EVERYONE WHO HAS LOVED HIM.
