“ So very sorry to hear of Luther's death. I enjoyed working with him at MCLB many years. He was such a kind, gentle man but firm when he needed to be. Everybody who worked with him knew about his red ink pen, which he frequently used to made his comments clear. Some base friends and I went to visit with him at the pool hall after he opened and enjoyed hearing his billiard history. Rest In Peace Luther, I know you are happily catching up with Carol in heaven. Blessings to his family
