“ You are in my thoughts and prayers. May God ease your hurt and fill your heart with all the good memories you have of Nora. She has a special place in my heart. I am so grateful for all the times we shared and for the time and Love she had for my Mother. They are now together in a better place.

“ I am so sorry to learn of the loss of MeMaw. I always enjoyed getting to see her when she would come to Johnson City for an extended stay. May the memories you have give you peace and comfort during this time, knowing that one day y'all will all be reunited again, never to be separated.

“ Michelle and David,

Ironically, I was trying to look Nora Lee up on the internet to tell her of Buddy's passing. I stumbled upon her obituary. A lot of time has passed since her death, but please accept my condolences.

I hope that all of you are doing well and are happy. My best to all of you.

Your cousin~

Kelly
