“ *Wonderful memories as children growing up in Quitman, Georgia. Larry and I were always the pirates or Indians in our games. We loved to go to the movies and then act out the action scenes. We grew apart over the years but I will always remember and love him as I remember the good times we had.*

“ Jackie and family,
I am so sorry for your loss. I have worked with Larry for 25 years.
We've laughed and teased and had a good time here at the
base.He was looking forward to retirement but God had other plans.
I pray that God will wrap His loving arms around all of you and
comfort you as only he can filling that void in your life with His great
love.

With deepest sympathy,

“ I've known Larry and Jackie a long, long time. Larry was always so
much fun. We'd rag each other and laugh like crazy. Larry was
always Larry. My heart goes out to the family.
