“ It was with great sadness that I heard of Angie's passing. I know she was made whole as she passed through the gate and entered into Heaven. While her family is grieving their loss, I know they must be rejoicing in her complete healing. God bless and comfort Mark and the girls.

“ While I’m sad to learn of Angie’s passing, I know that she is made anew and no longer suffering. I’ve known Angie and her family since my childhood from days of going to her house and riding the bus together. She and her family welcomed me in as one of their own. She was and always has been such a beautiful and kind person to everyone she met. She will be greatly missed. My condolences to Mark and her family.
