“ There are no words adequate to describe the loss of our dear Angie. I have so many special memories of us growing up together, riding around together in high school, and then working together at Phoebe. She holds a special place in my heart. I am holding each of you in thought and prayer during this difficult time.

“ There are no words. She was a beautiful soul inside and out that is gone way too soon. I have fond memories while she was in high school and I was so proud to go on her Senior high school trip to the Bahamas. I can see her smile when Uncle Freddie said he could not come to the Bahamas to get us out of jail so we were to be on our best behavior. And I can honestly say they all were. What some fun we had though. Her laughter and jokes were contagious. You will be so missed. God bless you and your family! RIP.Angie!
