“ Angie and her family lived two blocks away in 1949 when my parents, Fred and Lessie Sims, moved our family back to Sylvester. Angie and I were in the second grade together and she was always very active and popular. Later, when she was Chamber Director, she encouraged me to apply for the job with the Development Authority and we worked together for several years.

She will be missed and fondly remembered by all of her friends and schoolmates of the Class of 1959.

“ Angie was a very dear friend to Jolane and me. She was a very thoughtful and helpful in many ways, i.e. church, Chamber of Commerce and Free-Net. We will never forget how dedicated she was to her Sylvester and Worth County communities. She was endless in steering the chamber members to foster leadership programs to develop new talents. These programs she felt would help propel our community into meeting the demands of the coming century. We hope that her family is comforted in knowing the many ways she tried to foster a better community through her leadership and caring love.
