“ *Annette was a great lady and so much fun to be around. A favorite memory of mine with Annette was when we were seated next to each other in a computer workshop. We were clueless!! We shared many laughs that day. Prayers for her family.*

“ I taught kindergarten with Annette. She was a wonderful teacher and coworker. When she warned her students that she would "take her glasses off", they would suddenly behave in a more desirable way! We never knew what the kids thought would happen if she took her glasses off. They just didn't want to know! She was funny, helpful, and hard-working. So sorry to hear of her passing but happy she is not suffering. R.I.P. with your Lord, Annette. Love to her family. Elizabeth Cowles
