“ Annette was a long-time friend of over 60 years. She helped with my twin granddaughters when they were little. She was their great aunt. Annette loved a lot of people that never really knew it. She had a strong love for God and others that many did not know. I know personally that she read her Bible every morning and had her prayer time during her coffee and breakfast. I knew not to call her during those times so as not to disturb her time with God. May God keep his arms around all of you as you get used to being here without her. Much love to all, Colleen Owens Tanner
