“ *Me Annette was always so sweet with a huge heart, an amazing cook and a wonderful mother not only to her own but to those who came thru her doors with her children. She and her family have always been some of my fondest childhood memories that always will be remembered. It was always such a sweet surprise to run into her and Mr Dixon out and about and catch up. My heart aches for each of you during this time. I am so sorry for your loss. Prayers and love for each of you.*
