I am truly sorry to learn of your mother's passing. She was a wonderful lady and always helpful and pleasant. It was an honor to have worked with her at MCLB. I know my brother would have been saddened to learn of this. Our prayers are with you and your family.

“*Donnie and family, my heart is heavy and breaks for your loss. Your mom was loved by so many. I will miss her so very much. Maybe these few words I share will give you a small in site into my love for her.*

June Ivey was a wonderful person, friend, and a lovely lady that loved her family. We met each other through our jobs at the Marine Base. She would come over to my office to check on the requirements we were processing for her Telephone Office (back in the day before the realignment). She was such a happy person, always smiling. It was almost impossible to be in a bad mood around her. I loved her from the first time I met her. You couldn't help it because she showed so much love to you.

We had great Christmas luncheon parties at her home and the ladies - Glenda Hanson, Treva Farmer, Cathy Tedesco, Teresa Hall, Bonnie Burnett, Dorothy Bean, Joyce Prince, myself, and more I'm sure I'm missing - that would attend her wonderful Christmas gatherings to eat wonderful food, open gifts and share memories and love. We stayed for hours and never wanted to leave. We always had a wonderful time.

I am now a Gigi to my granddaughter, because she told me she was going to be Gigi to her grands. I think it is a Great name!!!!

Donnie, you are in my thoughts and my prayers. I send you love and hugs.
