“ *My Arya was a joy to have around and get to know. She always had the biggest smile on her face and waved at everyone she saw. She can give you some looks she loved to give you the stank eye but would want you to pick her up at the same time. My baby girl loved to eat as soon as she woke up in the morning she would point at the bedroom door and say eat eat. oh how I miss my sweet girl. She loved to give forehead kisses and wrap her little arms around my neck. I miss you so much Arya. I love you and you will forever be in my heart. Mommy, daddy and sister love you.*
