“ I loved Ashley so much. We didn't know each other well, but our spirits connected the first time we met. It's like we had been friends for ages. I won't ever forget the time Ed's Truck stop was full and she invited me and my family to join them at there table. That was the best lunch with her and to meet the rest of her precious family. No one else would have done that on that day. Ashley always put others first. She was an example of a Proverbs 31 woman. I love you Ashley and I will never forget you. See you again in heaven one day. Jessica

“ Ben, Carly, Spencer, & family,

We will continue to keep you all in our prayers. We know this is a painful loss.

My precious, kind friend Ashley....

The only comfort I have right now is knowing that HEAVEN GAINED A PRECIOUS SOUL!

As a mom, I know you have been fighting! God please help us not forget that Ashley's journey has just begun!

There are not many things for certain, His love is! What is also for certain is that Ashley is being held by His hands today! As I was on my knees praying for you for weeks, God whispered, "Don't let fear and doubt diminish your faith". In your honor, I'm trying to live by His whisper.

Ashley, I will see you again one day & what a joyous celebration that will be.
