“ Everyone that knew her loved her.  
She was like my 4th daughter even though she was my niece. Our hearts are broken with such sadness of her passing.  
Uncle Mike and auntie Jane forever love you.

“ Like Carrie said, Ashley was more than a cousin. She was like a sister. Ashley had the corniest sense of humor and loved to laugh at her own jokes. My favorite memories of pool farts, nerd fashion shows, and putting makeup on a sleeping Uncle Larry will always bring a huge smile to my face. See you later, DSIF.....

“ Ashley was not just my cousin but a sister to me. Her smile lit up a room; her boisterous laugh, contagious. We spent almost every day together growing up. We had our first apartment together after moving out of our parents' homes. We did life together. She would give her last dollar to someone in need. I'm going to miss so many things about her. I will keep her beautiful face in my heart forever. I love you, Tookie.
