“ *I thought about this , and what memories I wanted to share , but, their are so many memories that it would take up a whole book , to share . There will be this sad memory , of today , because he was such a loving , caring and kind man, and having to say goodbye, you will be missed . You are in gods hands now , and there is no more pain. I know in my heart , that Tonya and all your love ones were there to welcome you home . You were loved and will be truly missed .*
