“ I was so sad to hear of the passing of Mr. Garland. I used to work with him when I worked at Premier Orthopedics and I thought the world of him. He was such a sweet man and he made the best Caramel Cakes. You and your family will continue to be in my thoughts and prayers.

“ I met Garland at Cardiology Associates, P.C. when the physicians Hoopes, Mitchell, Souther, Mitchell, Joiner, Wolinsky & Cohen owned the business. He was an excellent IS manager and made sure our computers were up to date. Garland was respectful, kind and considerate which earned him favor with everyone at Cardiology and we changed his name to Garland Darlin'. He diagnosed the problem with the original Cardiology system and advised the IS Department about cyber attacks long before I heard about it in the news. My sympathy to you Mrs. Braswell, John, Chris and the grands for the loss of such a wonderful person.
