“ I Met Ben When I was 11. My cousin Frankie Price & Mary and Ben and Sherry (she was pregnant with Joey) were going to see Jaws when it 1st came out & I was staying at my Granny's house for the summer & Ben invited me to go with them to the Movies. He also bought me a Coke. I thought he was such a nice Man for going out of his way doing that. Every Time Jaws Comes On I think of him. Prayers For His Family

“ My heart is hurting at the news of Ben passing away, haven't seen Ben in a couple of years, but we sure used to have fun as teenagers, even shared a jail cell in Tifton one night before we were even old enough to be legally arrested, we were sixteen, but even with that I still have only very fond memories of what I considered to be a true friend he was always just Ben, rest well my friend, you have joined a host of my old friends, I will be with y'all eventually and we can go fishing.
