“ *She was such a card!!! She knew exactly what she wanted and how to get it. We had great time sitting around playing cards and everyone gathered around the piano singing. I think that's when she was her happiest. She sure will be missed by many.*

“ Not having ‘Granny’ around anymore will be like the sunshine has been covered by the clouds. She was such an awesome lady who loved me like one of her own and I loved her in return. Rest in eternal sweet peace Angel. We will meet again some sweet day.
