“ *Just wanted to let you know that we are praying for you and your  
family during this difficult time. I will not be able to attend the

“ *I am so sorry to hear about BaBa. I so enjoyed all the time I spent  
with her many years ago. She always had such an awesome sense  
of humor and always welcomed me with open arms. I know she will  
be missed by so many but Mr. Glenn will be happy to see her. Your  
family will be in my thoughts and prayers. I loved her dearly.*

“ Glenn Pait and Rachel Young Willis. I know this is late, but just tonight, I found your Mom's obituary on the Find A Grave Site. She lived a long life, in which your life was richly bless because of it. Sorry your mom went on to heaven without us, but our day is coming also. My love and prayers go out to you and family. If you may recall, I am the guy who put together the Sumner Book Index. Love in Christ .... Donald & Elaine

“ Bernice Willis was my great aunt. I had lost touch with much of my family and just found out that she had passed away while trying to research my family tree. She was kind to me when I was a very small child.
