“ *Betty Ann was a special person in my life as I think back to the many times we visited my grandmother ("Mother Nell" or "Nellie Powell") in Sylvester with my father, John James Powell and mother, Betty Powell and brother Brad Powell. Betty Ann and my mother seemed to have a special connection that went beyond their shared names, and we kids always loved spending time with Betty Ann, "Young Norman" and Jimmy when we were in town. Those early days are treasures I have carried with me my whole life, and will continue to hold those memories dear. My condolences to you all, as I know you have lost a great mother and lovely lady.*

“ Norman and Jimmy, I didn't think about Betty Ann being buried in Colquitt....Don't know why I didn't....She will be there with Christine, "Bubber" and Family. I go down fairly often, so I will visit her there.

I keep up my Watson Family plot in Colquitt City Cemetery, and visit Uncle Buddy and our Houston Family in Colquitt City Cemetery. Lots of my Daddy's Family are buried there.

Betty Ann is BACK HOME.....I so understand this.....I was gone from Worth County for 50 years---and it was so good to COME HOME in 2013.

There really is No Place like HOME.

Love to you all,

“ Norman and Jimmy, I am so sad about Your DEAR Mother.....I have LOVED BETTY ANN my entire lifetime....She was Very Precious to ALL of my Family.....

I have a "treasure trove of memories" of Sweet Things she said to me throughout my "growing up years"---and then---after I got grown, when I would see her.

BETTY ANN never stopped calling me "Dusty." I think it was the sound of her voice---when she said it---that Always "warmed my heart."

I won't be able to be with You in the morning for the Service---but I will be making Regular Visits to Hillcrest to "visit" her---just like I have done for All of our Family Members throughout my adult life.

In the past thirty plus years, when I did not live in Sylvester---I would get in my car---and slip off up to Sylvester to Hillcrest to "visit" our Family Members. I would stop by each one of them and just talk to them, like they were standing there with me face-to-face. Then, I would ride by the house I grew up in/through town/up Isabella Street and around---and drive back home-----All the While Never telling anyone I had made the trip.....It was just "Me and GOD" and the Memories of our Dear Family.

Most sincerely and with deep love,

Marsha Carol Watson Gandy "Dusty"
