“ *Bud & Betty, my mama & daddy were very good friends! I remember all of us gathering at each other's house for the grown ups to play cards, Pinocle to be exact... while Sherry & I played in the floor and who knows what Tammy & Terry were destroying somewhere else in the house! Wonderful memories! I'm positive you all are going to feel a tremendous loss now. Praying for peace & understanding as you prepare to carry Betty to her final resting place...*
