“ *Betty and I were classmates and best friends when she attended West Crisp School. She lived in Oakfield then. Good memories when we double dated for a Junor/Senior Prom. I remember us going to town shopping that afternoon. She was on our school basketball team, and I never missed a game to cheer her on. I always enjoyed going to visit her, and we would visit with her neighbor Jackie Odom. Betty always had that big smile, and sweet personality. We never saw each other after finishing school and starting jobs, and families. Just blessed to have such fond memories. Sending prayers to her loved ones. May God bless. Katie Phelps*

Jimmy and I are so very sorry to hear about Aunt Betty. She was a very kind, and gentle lady. It was an absolute pleasure meeting her years ago, and getting to know her. Our thoughts and prayers are with you all.

My mother, Janice Odom, and Betty were good friends! Betty and Raymond lived across the woods from us! She was a mess! Always fun and wearing that huge smile. I remember seeing for the first time, a sooon ring that she wore. I thought that was the prettiest ring ever.. Bless her heart she's in Raymond's arms again! Thank goodness cause they were together every where you saw them! RIP Betty 💋❤
