“ Grandma, I'm not even sure where to begin. You have been my rock for so long. I've never looked up to someone as much as I did you. You were the perfect person, wife, mother and grandmother. You helped shape me into the person that I am. My heart aches because I just can't let it sink in that you aren't here anymore to give me your words of wisdom and all your love. I know you're up there with my Terry looking out for us. Don't worry about pa, we will take good care of him. Wyatt and I love you more than words. It's not goodbye, it's until we meet again. I love you grandma and there won't be a day that goes by or a breath I take that you won't be in my heart. Love always, your granddaughter, Melissa Kathleen. ?
