“ *No words are sufficient at a time like this, but know I am praying for God to fill the hole death has left in your heart. God understands your grief also, because the Bible says He wept at the death of Lazarus, lean on him until you feel stronger.*

“ *The first time I met you Sue you made me feel like family. Your smile was contagious and of course you won me over with your famous Tomato Pie. I'm so thankful God crossed our paths in life and I know in death we will live in eternity as sisters in Christ. To Richard, Dawn and your grandchildren, my prayers and thoughts are with you as you go through these next few days, weeks and months. Just know she's only a memory away and you'll see her again someday. Love to all of you. 🙏❤️😭*
