“ *Mr. Bill liked to come off grumpy, but had a big heart of gold. All of us at the truckstop will truly miss him. He was most definitely an original, but could be tough as nails like his dad. They both filled our time at the truckstop. Fly high my friend*

“ *Man what can I say about Mr Bill. He sure was one of a kind as I ultimately loved with them for weekends with Shane. I can hear him calling me a pissant right now. I loved being around him and Myrtle as they would always make me laugh.*

“ I guess we got to know each other when I was about 13. And over the years we would run into each other at a festival, auction or a flea market and we were always glad to see each other. The last time I actually spoke to him was at Ed's truck stop sometime last year. He will be greatly missed. Rest in peace my friend.
