“ *Mr. Bob was such a special man. We have so many wonderful memories of him, including hearing our doorbell ringing, answering it & finding him there with that sweet & kind smile (almost bashful at times) on his face with a load of his fresh vegetables to share with us. We knew he was watchful of our place, our neighborhood & were ever so thankful that was the kind of man he was. We were blessed to have known him. We share in your loss. Our prayers are with you all.*
