“ Ms. Bonnie was always a welcome smile at the dog park where we lived. She was always spunky and fun and we all enjoyed her presence along with Pixie her puppy. I'm terribly saddened to hear of her passing. It was much too soon. We greatly cherished her and she will be dearly missed. Sending my condolences to her family and friends.

“ Dear sweet Bonnie, our lives have been turned upside down with your sudden passing. Your Aunt Tricia is inconsolable and Amy, Jennifer and I are as grief stricken as we were when daddy passed away in April. The suddenness of never having you in our lives again is almost too much to bear. We just can't believe you're gone. I hope you knew how much we loved and cherished you. I think you did. We told you we loved only a few minutes before your untimely passing. You said it first, but in a way that was different than in times past, and I know now that you must have felt something was wrong. I wish you could have said something that would have made us take notice, but this was all in God's Hands, and that wasn't His will. We will come to accept that and learn to live without you here, but it won't be easy. Rest peacefully, dear cousin. If God is pleased to, we will see you again. Love, Andrea

She was so good to Aunt Tricia and Uncle Winston and my grandparents , too. We were so fortunate to have the years we had with her after she moved to Albany.
