“ Brad was my 1st partner when I graduated EMT school back in the early '80s. He and I clicked right off, as he was a Navy veteran, and I was a Marine Corps veteran. We had a TON of fun, and some harrowing calls and rides during our time together. He taught me a lot that stood me in good stead during my time in Ma Hotz Paramedic course. He was one of the best 12 lead Paramedics I knew. And he LOVED to pick on me, and I gave as good as I got! I will never forget him, and hope to see him and the love of his life Myra when we all meet up in the hereafter. RIP dear friend, and go with God. Loves forever, Rambo. (Karen Webb/Stokes)
