“ *Nanny was such a sweet soul and soft spoken person. She was such a breathe of fredh air whenever she was around. I'll never forget how she last hugged me and how comforting she smelled. I feel comfort in knowing that she's now with Papaw.*

“ *My nanny was one of the most loving and sweet people I've ever known. I'll miss taking the drive over and visiting my grandparents at their little house out in the country. Every now and then I'll smell a certain scent that makes me feel like I'm back at their house and it instantly calms me. I'm going to miss my grandparents so very much, but I am glad to know that they are at rest now together.*

“ So sorry for your loss. I am going to miss her and Glen. I enjoyed having them as neighbors and nearly family for real and church family. I remember once the youth were flocking people's yards with pink flamingos. You donated money to have the youth remove them. When the Greene's got flocked, they sent them to my yard. I was glad they thought of me. Good times.
