“ Oh how my heart hurts right now. I'm in complete shock and so numb. All I can think is it's too soon, way too soon. But oh the precious memories I have to hold close to my heart so many memories...Thanksgiving trips, New Year's Eve celebrations, Memorial Days and Fourths of July... I will never forget your warm tight hugs and sweet kisses, infectious laugh and love always love. I will miss you so very much but I know you are with Jesus and reunited with daddy and I will take joy in that for now until we meet again.

Love you to the moon and back and so much more

“ *We did not expect to be writing this any time in the near future and yet here we are. In truth, we are still processing what has happened. Life gives few guarantees and moments like these stand to remind us that we should approach life with as much positivity as possible. Furthermore, we should do as you did and love our family unconditionally. We will never forget the love we felt from you nor the love you passed to Maggie. We are sorry that you only ever got to see Maggie once - that was never the plan. But then, who could have planned for this year?*

You will be remembered for the impact you had on our lives, and we will make sure Maggie understands that as well.

Love your grandkids,

Tanner and Shelley Howell

and your great-grandkid,

Maggie

“ We talked this past Monday. We both said how bad we missed Daddy and how he was taken to soon. Now here we are with you being taken way too soon. Never did I think that would be the last time I spoke with you. We were talking about your Christmas gifts to the family. You were the best Step Mom anyone could ask for. Bren, you are now with Daddy in Heaven. But we will still miss you so much! We will see you both again one day. Stuart and Laura will be taken care of. The Brooks Family are wonderful strong people! Love you step son Gil Howell
