“ *I want to offer my sincerest condolences to Austin's family and friends. I taught Austin for three years at Worth County High School for some of his English courses, and I watched him grow into such a responsible and kind young man. My heart is broken to learn of Austin's death as he had so much ahead of him. Please know that I will keep you all in my thoughts and prayers in the days, weeks, and months ahead. “ *To Austin's family, i am so very sorry for your loss. My heart breaks for you and i am praying for you all and sending love. You all raised a wonderful young man with a huge heart and a bright smile. I can never express my gratitude in my Mom heart that he was one friend that has always been there for my son Andrew. His love and loyalty was unmatched. Andrew stood up for him and he showed up and atood up for Andrew many times. He was like a brother to andrew. The world will not be the same without him. He left a lot of love and touched a lot of lives in his 19 years. He was definitely one of the most special young men we knew. May God bless and keep you through this.*
