“ *Honey, I miss you so much and the hurt is still here in my heart.
They said it would get better but so far it hasn't. There are so many
things that I want to talk to you about. You were always so much
smarter than me. You always knew the right thing to do. I will always
love you.*

“ *It has been 2 years since I lost you and it still hurts. Will it ever
stop? David passed away on Dec 30, 2015 and that is a fresh hurt.
Pam thinks I should go an talk to someone but I am not sure. I wish
with all my heart that you were here to talk to. I miss you so much. I
loved you then, I love you now and I will love you forever.
Love you Sweetpea*
