“ *Dean was someone you could be comfortable around. He was always a lot of fun. He made me feel at ease when I first joined the Moose. I knew him before that when he was in the plumbing business. He was sharp on the plumbing problems. The man always put his family first. I will greatly miss him. God has gained another angel. He was short in size, but big in heart. Beth we are here if you need us. God bless those left behind.*
