“ *Something about you reminded me of my Granny. Maybe because you both were from Worth Co and both named Carol. That's why I will always cherish that last conversation you and I had at your kitchen table just a few months ago. You are reunited in heaven with those you missed and can finally have some peace you so wanted here. Thank you for making me smile when I talked to you Mrs Carol, rest easy now. Prayers to the family.*

“ *She loved me like I was her own. She taught me so many valuable things about taking care of my boys when they were babies and good common sense in life. She loved her grandchildren more than life. She spoiled them all and they have such wonderful memories of her as they grew up to be adults. She will truly be missed. We love you Mawmaw. Give pawpaw and Pam a huge hug and kiss for me. Until I see you again.*
