“ *We didn't know Chandler on a personal level, but we did at Isabella Station. He helped us many times there and we could tell what a nice young man he was. Today after church, we went there for lunch to find out he had passed away. Our hearts are broken. My husband knows first hand at losing a young son, he lost his son at age 20. People have told him over the years you should get rid of his truck or this or that but I tell him hang on to what you need for everyone handles it differently. We will always think of Chandler when we go to Isabella Station with great fondness. Tony and Marie Dato*

“ This is incredibly saddening and words are so hard to find right now but my thoughts and prayers are with you all. Chandler was a true friend, honestly more like family, and he will never be forgotten. He encouraged me in times I needed it most. He was a friend to me regardless of what anyone else thought of me. His energy was special and will be missed. I truly hurt for you family.

Dear Family, I met your son while he was at ABAC with my Daughter (Faith Jones). I had the privilege and honor of getting to meet and talk to him backstage of the Dramas/Plays he was in while doing his hair along with the others. He was one of only a few that was very gracious and thankful for me being there to do that for them. He had a good heart and you raised him right. He was well mannered and kind. All the kids seemed to love him and his goofy way of making us all laugh while we waited. Please know that you are all in my prayers and thoughts. My daughter is now at UGA and just messaged me about this and she is heart broken as well. And asked that I let you know how sorry she is as well and she is praying for you all too. God Bless you and keep you!! Again so sorry for your loss. Debra and Faith Jones.
