One of the greatest gifts of being a part of the family of God is that we are not alone. Through the peaks and the valleys, we can link arms with one another as we walk with Jesus. One of the greatest ways that believers can love one another is to offer comfort to each other in time of need. May you find comfort from your faith in God and through your family and friends. With much love and many, many prayers. Sherri

“ *For Brian, Janie and all of the family. I just read this and I am in shock. I am so sorry she has gone, but I am happy for her. I learned a lot from her in my first pastorate, and I think of her and of Alton often. I have Janet's service marked in my Bible, and I came across the passage I used the other day. She so loved her children, grandchildren and family. Charolette was a wonderful lady and I sure will miss knowing she is not there. Amanda and I send our love, prayers and sympathy to all of you! Chip Gresham. Ps. I know my mother will be sad to hear this. She has been sick, and I will let her know. May the Lord comfort you all. Bryant Drive owes a debt of appreciation to all that Alton and Charolette did to build a beautiful church building. They were such an important part of the church getting established. I can't believe they are gone home!*

“ *Words can't say how sad I am to hear of Charolette passing. She was such a sweet and gentle soul. I will forever treasure the time we spent quilting together and laughing. My deepest sympathy goes out to her whole family. She will be missed by many.*
