*I am so sorry to hear of Christine's passing. We had fun times until Georgia schools consolidated and Christine was sent to Doerun and the Bridgeboro group were sent to Sylvester. A sad time for all of us. She would never call me Suzanne— she always said my name was Sue San. I never corrected her. Even though a lot of years have passed, Christen, the boys and her parents were important parts of my youth. Preacher Doc saw that I had a proper baptism. Love and condolences to all.
