“ *You can have peace knowing that she is in Heaven. After meeting Jesus face to face, she was able to see Mr. Massey and Larry yesterday and I am sure her and mama had a great reunion. The Faithful Three were such a great inspiration to all of New Hope. She will be missed, but you know that she left her mark on all who knew and loved her.*

“ Cleo was always such a delightful and sweet lady. She was so dependable and competent employee and did not need any supervision to do a superb job. I cannot ever remember Cleo having any negative comments.

*I know this has to be a great loss to the family. God bless you and Cleo's memories.*

“ I remember when I first met aunt Cleo. She came to our house, with great grandmother McDonald and my grandmother Margorie Eunice. Eunice's never got together with their folks but over the years aunt Cleo has always been as nice and kind. I remember calling her just before she entered the nursing home, and she knew who I was. We talked over two hours. Later when my wife Debra met her as a resident in Magnolia Manor, I was able to visit with her again. She always had a smile, was always pleasant. I enjoyed the talks we had. It was a joy to be around aunt Cleo. Danny our prayers and thoughts are with you and the family.
