“ *Dale was always a big help to Georgia FFA with our Lawnmower CDE (Career Development Event). He helped procure equipment and always enjoyed interacting with the students on event days. Each and every student received words of encouragement from Dale and left smiling (or laughing) at the end of the event. He worked hard and was someone you could depend on. His word was his bond. He was always ready with a smile and a picture of a grandchild.*

Dale will certainly be missed. My prayers are with the family for peace during this time of grief. May God bless each of you to remember him well.

“ Dale was a gentle giant never heard or seen him up set. We shared many of hours selling, eating and riding zero-turn Exmark mowers. He would call and tell our staff he was coming to Alabama and was going to feed our crew lunch, he never let us down. I remembered him coming to our store and assembling mowers by his self in the summertime heat and never complained. He added value to others everywhere he went, I guess that’s what made him so special. I loved watching him tell someone about a product, he would close his eyes and talk for minutes with those glasses low his nose. One night we were eating in Texas Roadhouse and Dale was talking and throwing peanut hulls over a wall, he thought on the floor, then a 6’6” Man stood up and threatened our whole table about “ the next peanut hull thrown in his table! “. Dales expression was priceless. Janice I pray for you and the family in the coming days and weeks. Rest In Peace old buddy!
