“ *A terrible start to a blue Monday. I am so sad to hear of the loss of a friend that I knew from the early fifties. Both families farmed and worked in the fields together for 10 or 15 years. Around the early sixties we all went our separate ways. David's late brother and I was very close and hung out together about 1964. After my retirement in 2006 David and I corresponded briefly and he wanted to show me his 1964 Chevy. Unfortunately we never got together. My condolences go out to the entire family. I would be especially grateful to hear from the family, especially his brother John. May my friend rest in peace.*

*Sincerely,
