“ *I went to school with David at Dougherty High. I am proud to say he was a good friend in school and even years later. He is someone I will miss dearly. He was a good Husband, Father and Grandpa. He loved his family whole heartedly and smiled whenever he spoke about any of them. Go rest high my friend and know that you will never be forgotten.*

Your family will forever be blessed with having you in their lives. God may have called you home, but he has blessed your family with the memories they will always have of you in their hearts.

*Prayers to you Michelle, Clay and family.

“ One of my best friends from DCHS
David Lloyd Lawson, passed away on Feb. 8th.
During our high school years,
we were pretty much joined at the hip. When we played football, we
rotated our offensive guard starting positions.
We ran, lifted weights, and played tennis together.
We also rambled all over countless farm ponds, creeks, and power
dams.
We hunted deer, dove, quail, and fished all over Albany including
the Flint River backwaters. I enjoyed many meals at the Lawson
household,
The last time I spoke to David, He spoke so fondly about his son
Clay.
David and I participated in the great Flint River raft race, on a raft
we built out of old boards and inner tubes. We survived the race and
finished the 15 mile race in about 16 hours.
David, you will be missed my brother DCHS 🐾🏈 Go rest high 🙏

“ So very sorry for your loss Michelle, Clay and family. David was always a pleasure to work with. He was a very sweet, kind, thoughtful and helpful guy. He always talked so fondly of all of you. I remember the make up table he built. I hate knowing the world has lost one of the good guys.

“ *Deepest condolences to Michelle, Clay, and your family's. I worked with David, in Papermaking Maintenance. When David went to shifts and had a dedicated computer for himself... the first thing that he wanted to do was put a screensaver of Him and Clay on it. I helped him set that up, and showed him how. He always shared his new pics with me. Clay... he was so very proud of you and your family.*
Rest In Peace, Dear David.
