“ *Interesting how Diane, her younger sister, and myself, the youngest aren't mentioned...even though MY Dad is mentioned as her "step-dad". I just wished I had the flag that was on his casket. Travis Preston Hatcher, U.S. Navy, CPO.*

We interacted with "Miss Debbie" daily from Kindergarten to our senior years in high school. She made a big impact on our lives with her spunkiness and observations. Sending many prayers your way.
