“ *I remember when Dixie and Allison came to my Charlotte to help me celebrate my 39 birthday. I was excited I pulled out the fine china for the first time for 5 course dinner. I had a wonderful time. I remember the three of us laughing and dancing to Madonna in the living room all night. I was honored the you trusted my makeup skills enough to paint your face for the Madonna concert. Boy did we make some great memories. I want you to know Dixie , I have on the cologne you bought me right now and God knows I smell delicious. You will forever live in the hearts inwhich you have touched with your kind loving heart, innocence, contagious smile, pure intentions, and endless love.*
