“ *Carol and family.  
Doyle will certainly be missed. I remember all the basketball games we attended together and all the foolishness and fun he and Michael had. Guess it's probably started up again. May God's love comfort you. I hope He can handle those two! Love you guys.

“ Watched him plowing peanuts one day while I was getting water at one of his wells, think he was on a 4240 Deere or something with no weight rack, just a little water in a tank on front, he'd go over a terrace and the tires would be trying to lift off the ground, get to the end and pick up and turn around and the tires would be slam off the ground till he got turned around and he'd drop the lift and take back off tractor talking too, didn't get to talk to him too much but when I did it seemed like he always had some wisdom he'd try and pass along to help guide us younger generation, thank you, you will be missed

“ One of my memories about Doyle was that he had an avid love for Southern Gospel Music. Along with my dad Gene, Doyle's brother, I think the two of them would sit all night long wherever there was a Gospel Sing taking place. Those were the days. I lived away from Worth County for many years and still do so I didn't get to see Doyle that much but I know he was a good man, I remember he liked Nascar races and pretty sure he was a loyal Ford Motor man ... ( I hope it wasn't Chevy but years tend to mess with memory!) He'd be shocked now to know I own an F-150 Truck! We will all miss you Doyle for your wise words, great humor and love of family. Carol, Andy, Dean and families, Doyle has left you with many memories and stories to tell and may each of those sustain you in the days ahead. Lynda sends her love also. With love, Tony Hancock (nephew)

“ Ms. Carol, Dean, Andy and family,  
Mr. Doyle will surely be missed in our community. He always showed kindness and thoughtfulness for others. In the business, he showed his humbleness with strength of character in every contact we had with each other. May God give you all the peace and comfort that only He can give during this time.

Carol and family,  
Doyle will surely be missed! He was such a nice man. I feel like I have known him most of my life! He always had a smile and was so friendly and outgoing. He and I were the same age, so you could say we grew up together. Carol, you were such a wonderful wife and such a good mother and took care of your family! May God comfort and give you peace in the days ahead. Doyle truly loved his family!
