“ *Danny and Family,
I am so sorry to hear of Dawn's passing. She and I were cheerleaders at the same time. Garland asked me to pick Dawn up for cheerleading practice because she didn't have her driver's license yet. I enjoyed the times we spent together. She was a beautiful person, just like her Mom. I also graduated with your brother Gary. I send my sincere sympathy to your family. I will be praying for you.

“ *Saying goodbye to you was and is hard to accept. Your voice was so unique, and your sense of humor was priceless. We could laugh in the worst of times. I think of you now, with our Jesus. I will see you there on day, and I pray that we can laugh about our dogs, and cheer for the dawgs! Maybe in heaven they actually win!! Anything purple makes me think of you. Thank you for loving me as your own. I always knew no matter what, Aunt Dawn was there. There are few relationships in this world that have the type of connection that I felt with you. You changed the world forever!! Keep reading and writing and tell me about it when I get there! I love you.*
