“ *Dustin was a bright light anytime that I saw him. He spent a lot of time at our house visiting Kevin. He could talk me into to anything with that sweet dimpled smile and genuine heartfelt plea. Kevin and Dustin were so close, not only cousins but best friends. He always had me laughing or smiling. I feel so fortunate to have had him in my life and to know him the way that I did. I send my love to all of his family and they will still always be my family in my heart too. I love you all. My prayers will continue for the days to come.*
