“ *Dear Vickie and family,*

I am so sorry to hear about the loss of your Mother. She was a very sweet, smart, and great lady. I have very fond memories of her when I spent the night when we were young. She introduced me to Velveta cheese and crackers, something I never had before. Just some little things I remember about her. It will be hard, but you have to pick up and keep going. Your friend from high school, love Susan Poole Spradley
