“ Kendall and I were good high school friends. We worked watermelon fields with his Dad for \$3.00/day. Kendall always had a great humor and smile. He had a beautiful '67 Chevelle 396 . We moved to Florida in 1971 and I wish I had visited Kendall more. We all all too busy but that is no excuse. My wife and I heard about his passing while on vacation in S.Carolina. We would have been at the funeral. God Bless you all.
